for each station and should hold good for seventeen days from the date fixed for opening the tenders. The whole of the quantity of the material should be supplied *within one month* from the date the acceptance of the tender is communicated to the tenderer.

3. Final acceptance of the tender will rest with the Stores Purchase Committee, who do not bind themselves to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

4. The name of the successful tenderer will be notified in due course and he will be required to deposit as security the amount noted against the article in column 5 and to execute an agreement for the due fulfilment of the contract, for the supply required, within eight days of the intimation of acceptance of the tender. The earnest money will be forfeited to Government, if the tenderer, whose tender is accepted fails to execute the agreement for the due fulfilment of the contract and to furnish security as specified in column 5 of the subjoined statement, or if the tenderer withdraws from his tender before the acceptance or non-acceptance of his tender is communicated to him. The earnest money on rejected tenders will be returned.

5. Should the contractor fail to comply with any of the conditions detailed above, his contract will forthwith be cancelled and the deposit forfeited to Government.

6. In case of dispute as to whether the supply of the article is similar to that of the sample deposited, the decision of the Stores Purchase Committee shall be final.

Statement showing the approximate quantity of the material required for Dam Works, Krishnarajasagara.

GOVERNMENT OE MYSORE, ELECTRICAL DEPARTMENT.

Notification dated 22nd April 1924.

Applications are invited from persons and Engineering Firms for licenses to execute Electrical Works in Mysore, Bangalore City, Civil and Military Station, Bangalore, and Kolar Gold Fields during the year 1924-25. The applications will be received at the office of the Superintendent, Bangalore Power and Lighting, Bangalore, till 4 P.M. of the 31st May 1924.

Only applicants possessing the following qualifications need apply :—

The applicant should state if he is a Mysorean.

The applicant should have a general and technical education satisfactory to the Licensing Committee.

The application should contain full and complete information on the following points :—

Whether the applicant requires the license for carrying out lighting installations only or for both Lighting and Power Installations.

The financial resources at the command of the applicant.

The address of his place of business and the approximate value of electrical stores he has or will arrange to have in event the of the Chief Electrical Engineer deciding to give him license.

In case of applicants who have executed electrical works in the Mysore State or elsewhere should give a list of such works.

The committee may require the applicant to present himself before the committee for examination on a written request from the Secretary, Licensing Committee.

Recommendations of the committee will be submitted to the Chief Electrical Engineer to the Government of Mysore, and the final decision as to granting of license rests with him.

About the 3rd week of June 1924, the Chief Electrical Engineer will publish the list of applicants found eligible for holding licenses.

S. G. FORBES,
Chief Electrical Engineer,
to the Government of Mysore.
